

RANGE TRIM

Use this drawing when there is no backsplash behind the range.

No Backsplash
Provide the (H) dimension if counter has a square front edge only.

Disregard dimensions (B, C, D & F) if there is not a gap behind the range.

- A _____
Width of the Cutout
- B _____
Gap Behind the Range
- C _____
Available Counter Space Behind Range
- D _____
Thickness of Backsplash
- E _____
Overall Width of Range
- F _____
Distance from Back of Range to Front of Counter
- G _____
Distance from Front of Wall to Front of Counter
- H _____
Thickness of Countertop

NOTE: Please be as accurate as possible when providing dimensions and provide as much information as possible.

Color:

STAINLESS STEEL FINISH (ANODIZED, BRUSHED ALUMINUM)	TRUE STAINLESS STEEL	WHITE	BLACK
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Note: Dimensions **F & G** should stop at the flattest area near front of countertop, before beveled or bullnosed edge. These measurements should be checked on both sides of the range.
