**NOTE:** Please be as accurate as possible when providing dimensions and provide as much information as possible.

**Color:** TRUE STAINLESS STEEL

**SIDE EXTENSIONS**

With Side Gaps

**Additional Information:**

Dimension F is used to determine how wide the side extensions need to be in order to line up with the doors or drawers. If you do not want the overall width of our side extensions to match the width of the cabinet doors or drawers, what is your desired overall width? \_\_\_\_\_
